TAMIL NADU STATE CO-OPERATIVE  
SOCIETIES ELECTION COMMISSION,  
CHENNAI – 600 018.

## **PREFACE**

As a prelude to the discussion on the need and necessity of this publication on Co-operative Elections, the Commission considers that it will be more fit, proper, apt and appreciable and by taking this opportunity, to acknowledge with immense thanks and feels much honoured and privileged to quote the speech delivered on 11.12.2013 by the **Honourable Chief Minister of Tamil Nadu, Selvi J JAYALALITHAA** at the conference of the District Collectors and Police Officers on Co-operative Election 2013:

***“This is a historic achievement and will realize  
the goal of democratizing the functioning of  
Co-operatives in the State”.***

And it is a well known fact that the century old Co-operative movement in Tamil Nadu is now having a separate body the Tamil Nadu State Co-operative Societies Election Commission, as constituted by the Government of Tamil Nadu under Section 33-A of the Tamil Nadu Co-operative Societies Act, 1983, to conduct the election of all the Co-operative Societies in the State as enunciated under section 33 of the said Act and Rule 52 and 53 of the Tamil Nadu Co-operative Societies Rules, 1988, with powers and functions as vested under Rule 52-A of the said Rules.

The Commission, the first in its origin, started its challenging task by communicating the Election Programme for the conduct of election to all Co-operative Societies in the state in 5 phases, starting from 04.03.2013 and completing by 04.10.2013 and was able to conduct successfully the election of 21,027 societies, electing 2,04,889 Directors, 20,994 Presidents and 20,997 Vice Presidents, in a peaceful, free and fair manner.

During this process of election, the Commission, apart from conducting training classes for all personnel from District Election Officers to Polling Officers belonging to various departments, provided Hand Books for proper and better understanding of the Act and the Rules regarding the conduct of election and to execute the same impartially with complete devotion to duty without fear or favour.

Moreover as a first of its kind in the history of Co-operative Elections in the State, the Commission painstakingly introduced the Ballot Boxes, Paper Seals and Training Methods and Programmes as in the General Election and which won the acclamation from one and all. All

these necessitated the Commission to issue guidelines, directions and instructions whenever and wherever the occasion warranted for such issuance.

And with more than 2.4 lakhs elected in the Co-operatives with the possibilities of by-election for casual vacancies and with the election processes and phases going on continuously, the Commission feels it absolutely necessary that in addition to the handbooks already issued, bringing out a handy compendium of these guidelines, directions and instructions issued then and there, will go a long way and will be very much useful for officials involved in the conduct of a free, fair, orderly, peaceful and impartial elections to Co-operatives in the years to come.

The Commission, with a profound sense of gratitude acknowledges the wholehearted support of the Chief Secretary, the Director General of Police, the Secretary to Government, Cooperation, Food and Consumer Protection Department, the Registrar of Co-operative Societies, other Functional Registrars, District Collectors, Police Officers, Observers, District Election Officers and all other officials, persons and institutions involved in the successful completion of the task assigned to it.

The Commission also wishes to acknowledge the valuable services of Thiru. A. Sankaralingam and Tmt. V. Nandakumari, Additional Registrars of Co-operative Societies, former and the present Secretary of the Commission respectively, Tvl. K.G. Chandrasekaran and V. Thirunavukarasu, Joint Registrars of Co-operative Societies (Retd) / Officers on Special Duty with the Commission and all other staff members of the Commission, rendered in the conduct of the elections.

Dated: 27.02.2013

Sir,

Sub : ELECTION – Conduct of election of the Members of the Boards and Office Bearers of the Co-operative Societies in the State – Arrangements – Appointment of Electoral Officers and Election Officers – Certain doubts – Regarding.

\*\*\*\*\*

Doubts have been raised regarding the appointment and functions of Electoral Officers and Election Officers in the conduct of election to the Co-operative societies.

As the designation themselves suggest, they are distinctly separate and clear. Sub-Rule 1(c) and sub-rule (3)(a) of rule 52 (as amended) of the Tamil Nadu Co-operative Societies Rules, 1988, which speak about these appointments, are reproduced below for a better reading and understanding.

### **ELECTORAL OFFICER (Sub-Rule (1)(c))**

“The District Election Officer shall appoint as many officers of the Government not below the rank of Senior Inspector in the Co-operative Department or not below such rank in other departments as may be necessary as Electoral Officers. The Electoral Officers shall be responsible for preparation and publication of voters list of the society or the societies concerned”.

### **ELECTION OFFICER (Sub-Rule (3)(a))**

“(a) The District Election Officer appointed for a district or a part of a district by the Election Commission shall appoint as many officers of the government or officers subordinate to him or officers and employees of Co-operative societies or local authorities or undertakings owned by the state or central government or education institutions as may be necessary as Election Officers for conducting the election of members of the board of Co-operative societies in the district or a part of the district. The District Election Officer may also appoint alternative election officer or officers.

It may be seen from the above that: –

(1) Only officers of the Government not below the rank of Senior Inspectors in the Co-operative Department or not below such ranks in other departments shall be appointed as Electoral Officers.

(2) In the case of Election Officers, apart from the officers of the Government, other persons as mentioned under sub-rule(3)(a) may also be appointed.

(3) The Electoral Officers are entrusted only with the duties related to the preparation and publication of voters list where as the Election Officers are entrusted with the duties of conducting the election of members of the board.

Sub : ELECTION-Conduct of election of the members of the Board and Office Bearers of the Cooperative Societies in the State Arrangements- Appointment of Electoral and Election Officers – Their functions and duties etc – Regarding.

\*\*\*\*\*

The Election Commissioner has appointed the District Election Officers and they, in turn, shall appoint as many Electoral and Election Officers as may be necessary, for the conduct of elections to the cooperative societies in the state.

It is very much imperative, on the part of these officers, to study carefully the relevant provisions of the Tamil Nadu Cooperative Societies Act, 1983 and the Tamil Nadu co-operative societies Rules, 1988 and familiarize themselves with the same, so as to discharge the statutory functions, imposed on them, effectively and efficiently without any omission or commission.

It is, therefore considered necessary that all these officers involved in these elections at various stages have to be given appropriate instructions, guidelines and training in all these matters, from the issue of Election Notices to the declaration of results in all its stages.

The State Election Officers are therefore requested to take immediate steps in this direction and issue appropriate instructions by 28.02.2013 and to intimate the Commission of such action, by that date.

அனைத்து பார்வையாளர்களுக்கான (Observers) 10.03.2013 தேதி நடைபெற்ற கூட்டத்தில் எழுப்பப்பட்ட சந்தேகங்களுள் ஒன்று தேர்தல் நடைபெறும் இடத்தைப் பற்றியதாகும்.

தேர்தல் தொடர்பான பல்வேறு நடவடிக்கைகளில் வாக்குச்சாவடி அதாவது ஒட்டுப்பதிவு நடக்கும் இடத்தை தேர்வு செய்வது மிக முக்கியமானதொன்றாகும்.

தேர்தலுக்கான இடங்கள் பற்றி தேர்தல் ஆணையத்தால் வழங்கப்பட்ட தேர்தல் நடத்தும் அலுவலர்களுக்கான கையேட்டில் மிகத் தெளிவாகக் கூறப்பட்டுள்ளது. (3.9-தேர்தலுக்கான இடங்கள்- பக்கங்கள் 30, 31 மற்றும் 32- பத்திகள் 3.9.1. முதல் 3.9.6 வரை).

ஏற்கெனவே தேர்தல் அறிவிப்பில் இடங்கள் பற்றிய விபரங்களும் அறிவிக்கப்பட்டுள்ளன. இருப்பினும் பார்வையாளர்கள் கூட்டத்தில் தெரிவிக்கப்பட்ட கருத்துக்களின் அடிப்படையில் கீழ்வரும் அறிவுரைகள் வழங்கப்படுகின்றன.

(1) வாக்குச்சாவடி சங்கம் அமைந்துள்ள இடத்தில், அல்லது சங்கத்தின் தலைமையகத்தில் அனைத்து வாக்காளர்களும் வரக்கூடிய சங்க கட்டிடத்தில் இருக்கவேண்டும்.

(2) வாக்குப்பதிவுவற்கான இடங்கள் (buildings) வாக்களிக்கக்கூடிய வாக்காளர்களின் எண்ணிக்கையை கருத்திற் கொண்டு இருக்கவேண்டும்.

(3) எண்ணிக்கையைப் பொருத்தும், இடவசதியைப் பொருத்தும் ஒரே வாக்குச்சாவடியில் பல வரிசைகளிலோ, அல்லது ஒன்றுக்கு மேற்பட்ட வாக்குச்சாவடிகளாகவோ (multi polling booth and different polling booth), இருக்கலாம்.

(4) சங்கம் அமைந்துள்ள கட்டிடத்தில் வாக்குப்பதிவு நடத்த இயலாத நிலையில், அல்லது சங்கத்திற்கு அல்லது இதர கூட்டுறவுச் சங்கத்திற்கு சொந்தமான வேறு கட்டிடங்கள் ஏதும் இல்லாத நிலையில், அரசு கட்டிடங்கள், அரசு சார்ந்த நிறுவனங்கள் மற்றும் உள்ளாட்சி அமைப்புகளின் கட்டிடங்கள், அரசு அல்லது அரசு உதவி பெறும் கல்வி நிறுவனங்கள் ஆகியவற்றின் கட்டிடங்களை தேர்வு செய்யவேண்டும்.

(5) தவிரவும் கட்டிடங்கள் தேர்வு மேற்கொள்ளும் போது, வாக்குப்பதிவு நாளுக்கும் வாக்கு எண்ணிக்கை நாளுக்கும் உள்ள இடைவெளி நாட்களை கணக்கில் கொண்டு, அந்நாட்களில் வாக்குப் பெட்டிகள் போதுமான பாதுகாப்புடன் இருப்பதையும் உறுதி செய்யவேண்டும். இவ்வகையில் வாக்குப்பதிவு நடைபெறும் இடமும் வாக்கு எண்ணிக்கை நடைபெறும் இடமும் ஒரே இடமாக இருப்பது உசிதமாகும்.

இந்த அறிவுரைகளை தேர்தல் அலுவலர்களுக்குத் தெரிவித்து, தெரிவித்த விவரத்தை அறிக்கையாக அனுப்பிடக் கோரப்படுகிறது.

As the voters list is the most important and vital document, on the basis of which the entire election process is built up, the Electoral Officers should be properly equipped, guided and suitably instructed to handle such situations, to execute the statutory functions assigned to them effectively, efficiently and strictly according to the provisions of the act and rules without any commission, omission, fear or favour.

Election Commission, No. 273,

**Rc 335/2013/CE-5**

**Dated: 20.03.2013**

Sir,

Sub : Elections – Election of Members of the Boards and Office  
Bearers of Co-operative Societies in the State – Arrangements  
of Polling Materials – Use of Paper Seal – Regarding.

\*\*\*\*

For the election to the members to the boards of Co-operative Societies in the State, taking into account the important twin objects of uniformity and safety and to ensure a fair election, the Commission has now introduced the use of Ballot Boxes that are being used for the Local Body election.

It goes without saying that the use of 'Paper Seal' for such boxes is also a must.

Accordingly the Commission has decided for the use of Paper Seals in the operation of these Ballot Boxes.

The following guidelines are issued in the matter of assessing, printing, supplying and accounting of Paper Seals.

- (1) The State Election Officers have already assessed the number of Ballot Boxes required, and reported the same to the Commission. The total number of Paper Seals required has been arrived at by adding 10% to the number of Ballot Boxes so required and reported.
- (2) The Commission has made arrangements for the printing of the required Paper Seals with the Co-operative Printing Press, Chennai and will be supplied to the State Election Officers.
- (3) As the Paper Seal is an important piece of evidence to establish that the Ballot Boxes that are used in the elections are in tact and not tampered with, utmost care should be taken in all stages of printing, storing, supplying, using and accounting.
- (4) The State Election Officers should arrange to issue these Paper Seals well in advance, through special messengers to the District Election Officers who in turn to the Election Officers under proper acknowledgement.

- (5) It should be ensured that in its every stage there should be proper acknowledgement and accounting by maintaining such of those register/registers as may be required.
- (6) As it is a general rule that all the expenses relating to Co-operatives should be borne by the respective Co-operative Societies, the expenses that are to be incurred in the matter of Paper Seal should also be borne by the Co-operative Societies.

The State Election Officers are requested to report the action taken.

\*\*\*\*

In the Co-operative Election too, the Commission has introduced Ballot Boxes and Paper Seals as used in the General and Local Body Elections.

As the introduction of these materials is the first of its kind in the annals of the Co-operative Elections, the Election Officers who are dealing with the Ballot Boxes, Paper Seals, should also be thoroughly equipped, fully familiarized and properly trained to make this venture a 100% success.

You are aware that Election Officers have been drawn from Government, Co-operatives, Local Bodies and Educational Institutions and as provided in the rules. Some of these Officers who have served in the General Elections may be aware of the procedures that are to be followed in the matter of their operations and usage. Some may not be familiar or fully aware of the usage. However the Commission, with the view not to take any chances, wants that all the Election Officers and Polling Officers should thoroughly be trained in handling the Ballot Boxes and Paper Seals. 3. தாள் முத்திரையைப் பயன்படுத்துவதற்கான அறிவுரைகள்

(படம் 5 - ஜப் பார்க்கவும்)

தாள் முத்திரை பயன்படுத்தப்பட்டால் அதனை பொருத்துவதற்கான சட்டத்தைக் காணலாம். இது தாள் முத்திரையைப் பொருத்தி காப்புறுதி செய்வதற்குரிய சரியான முறையைத் தெளிவாக காட்டுகிறது. அதனைத் தக்கவாறு செய்திடப் பின்வரும் செயல் முறையைப் பின்பற்ற வேண்டும்.

1) இளஞ்சிவப்பு நிறத்தில் உள்ள தாள் முத்திரையை எடுத்து அதில் தொடர் எண். அச்சடிக்கப்பட்ட வெள்ளை நிறமுள்ள பகுதியில் கையொப்பமிட விரும்புகின்ற வேட்பாளர்கள் அல்லது அவர்களுடைய முகவர்களின் கையொப்பங்களைப் பெறல் வேண்டும். நீங்களும் கையொப்பமிட்டு நாளினைக் குறிக்க வேண்டும்.

2) குறித்துள்ள படிவத்தில் தாள் முத்திரைத் தொடர் எண்ணைப் பதிந்து வைக்க வேண்டும். அந்த எண்ணைக் குறித்துக்கொள்ள வேட்பாளர்கள் அல்லது அவர்களின் முகவர்களை அனுமதிக்க வேண்டும்.

3) படம் 4ஐப் பார்க்கவும், தாள் முத்திரையின் கையொப்பங்கள் அமைந்த வெள்ளைப்புறம் பெட்டியின் மூடிக்குக் கீழே தெரியுமாறு இருக்கும் வகையில் சட்டத்தின் மையப்பகுதியின் இரண்டு பக்கமும் உள்ள உட்புறப் புழைகள் வாயிலாக அந்தத் தாள் முத்திரையின் முனையைப் பொருத்த வேண்டும்.

4) தாள் முத்திரையின் ஒரு முனையை குட்டையாக இருக்குமாறும் கையொப்பங்கள் உள்ள முனையை நீளமாகவும் விட வேண்டும். இதனால் தற்செயலாய் நேரக்கூடிய சேதம் தவிர்க்கப்படலாம். சட்டத்தின் மையப் பகுதியில் சரியான அளவுடைய (2.1/10" x 1.7/6") கெட்டி அட்டைத் தாங்கி ஒன்றை பொருத்தி சட்டத்தினுள் அடங்கிய தாள் முத்திரையை

உறுதிப்படுத்த வேண்டும். (படம் 5) தாள் முத்திரை நகராமல் உள்ளதா என்று சோதிக்க தாள் முத்திரையை மெல்ல இழுத்துப் பார்க்க வேண்டும்.

- 5) கெட்டி அட்டையில் இரண்டு மேற்புற மூலைகளை, தாள் முத்திரையுடனும் வாக்குப் பெட்டி மூடியின் உட்புறத்துடனும் இணைத்து அரக்கு முத்திரை வைத்துக் காப்புறுதி செய்ய வேண்டும். (படம் 5 உ) – காண்க) அதன் பின்னர் வாக்குச் சாவடியை அடையாளம் காட்டும் பிரித்தறி சின்னத்தை தாள் முத்திரையின் இளஞ்சிவப்பு வண்ணம் கொண்ட வெளிப்புறத்தில் சன்னல் வழியே பார்த்தால் தெரியும்படி பதித்து விடுங்கள். மேலும் வாக்குப் பெட்டியின் தொடர் எண்ணையும் அதாவது 1/, 2/ என்று பேனாவினால் பிரித்தறி சின்னத்திற்கு அருகில் தெளிவாக எழுதுங்கள். தாள் முத்திரை தொய்வு ஏற்படாவண்ணம் இரு முனைகளையும் மடித்து ஜெம் கிளிப்புகளால் பொருத்தி விடுங்கள். பிறகு தாள் முத்திரை நடுவாவண்ணம் இரு புறமும் அரக்கு முத்திரை வையுங்கள். வாக்குச்சாவடி முகவர்கள் யாரேனும் அரக்கு முத்திரை வைக்க விரும்பினால் அனுமதியுங்கள்.
- 6) வேட்பாளர் அல்லது அவருடைய முகவர் எவரேனும் தாமதமாக வந்து சேர்ந்து தாள் முத்திரை சட்டத்தில் பொருத்தப்படுவதற்கு முன்பு அதனில் கையொப்பமிட இயலாதவிடத்து, அந்த நிலையில் அவர் விரும்பினால் தாள் முத்திரையின் நீளப் பகுதியில் கையொப்பமிட அல்லது முத்திரையிட அவரை அனுமதிக்க வேண்டும்.
- 7) பின்னர் பெட்டியின் மூடியை மெதுவாக மூட வேண்டும். பொத்தான் கிளிக் என்னும் ஒலியுடன் நிற்கும் வரை அதனை வலதுபுறமாக மெதுவாகத் திருப்ப வேண்டும். இப்போது படம் 2 –ல் உள்ளவாறு நுழைவாய் வாக்கு இடுவதற்குரிய சரியான நிலையில் முற்றிலும் திறந்தபடி இருக்கும். பொத்தானை அதற்கு மேலும் திருப்பக் கூடாது. திருப்பினால் நுழைவாய் மூடிக்கொள்ளும் அதன்பின் வாக்குச்சீட்டை உட்செலுத்த இயலாத நிலை ஏற்பட்டுவிடும் கவனக் குறைவினால் இத்தகு நிலை ஏற்பட்டால் தாள் முத்திரையைச் சிதைத்து, பெட்டியை மீண்டும் திறந்து புதியதொரு தாள் முத்திரையைப் பயன்படுத்தி மீண்டும் பெட்டியை வாக்கிடும் நிலைக்குத் தயார் செய்திட வேண்டும்.
- 8) சன்னல் மூடியைப் படம் 1-ல் உள்ளவாறு சன்னல் முற்றிலும் மூடப்படும் வரை இடதுபுறமாகத் திருப்ப வேண்டும். ஒரு துண்டுக் கம்பியை சன்னல் மூடியில் உள்ள துளை வழியாகவும் அதேபோன்று பொத்தானில் உள்ள துளை வழியாகவும் செலுத்தி கம்பியின் இரு முனைகளையும் ஒன்றாக இணைத்து இறுக்கமாய் முறுக்கிவிட வேண்டும். இதனால் சன்னல் மூடி பொத்தானுடன் உறுதியாகப் பிணைக்கப்பட்டுவிடும். அதன்பின் பொத்தானைத் திருப்பிட இயலாது. பின்னர் ஒரு துண்டு முறுக்கு நூலை சன்னலிலும் பொத்தானிலும் உள்ள துளைகள் வழியே செலுத்தி பல தடவை முடிச்சப்போட்டு இறுக்கமாகக் கட்ட வேண்டும். முறுக்கு நூலின் பிரிந்த முனைகளை ஒன்றாகச் சேர்த்து கனத்த துண்டுத்தாள் மீது வைத்து கூடுமான வரை முடிச்சையொட்டி அதன் மீது அரக்கு முத்திரை வைத்து உங்கள் முத்திரையைப் பதிக்க வேண்டும்.

**Rc.No. 251/2013/CE.5**

**Dated: 03.04.2013**

Sir,

Sub : Election – Election of Members of the Boards and Officer Bearers of Co-operative Societies in the State – Arrangement of Polling Materials – Issue of Ballot Papers – Guide Lines – Regarding.

Ref : Commissioner's Letter of even no dated 27.03.2013

\*\*\*\*

In the letter under reference cited guidelines have been issued regarding the designing, printing and custody of Ballot Papers.

Now the following points have been sought to be clarified in the matter of Ballot Papers.

- 1) No of Ballot Papers to be printed.
- 2) Whether the signature of the voter has to be obtained in the counterfoil of the Ballot Paper.
- 3) Whether the Election Officer has to sign in each Ballot Paper or use facsimile.

#### **POINT-1**

1) Regarding point no 1. the Commission has already stated that the number of Ballot Papers to be printed should be arrived at by the Election Officers themselves in consultation with the society concerned taking into account the past voting percentage, the expected voting percentage at present.

2) However contrary to expectation, or anticipation and or forecast and in case of 100% of polling, the polling could not be stopped on this contingency alone.

3) And therefore the following guidelines are issued in the matter raised under

**Point No-1**

- (1) The number of Ballot Papers to be printed should not be less than the total number of voters as per the voter’s list as published by the Electoral Officer.
- (2) There should be an extra number of Ballot Papers to be printed as detailed under to meet any contingencies like missing number, torn or mutilated, damaged Ballot Papers, and also considering the fact that there are the possibilities of less than 100% voting.

Number of Ballot Paper to be Printed as per voter list	Extra Ballot Paper to be Printed
up to 500	10% Subject to a minimum of 10.
501 to 1000	5% Subject to minimum of 50.
1001 to 5000	2% Subject to minimum of 75.
5001 and above	1% Subject to minimum of 100.

**POINT-2**

1) Regarding point No. 2 the Commission observes that Rule 52(11) (d) requires that the Election Officer or the Polling Officer as the case may be, if satisfied, shall issue a Ballot Paper to a voter and Rule 52 (11) (g) states each voter shall be given only one Ballot Paper. But Rule 52 does not provide for obtaining the acknowledgement from the voter for the issue of a Ballot Paper by obtaining his signature or otherwise.

2) However in order to substantiate that the voter was supplied with the Ballot Paper, in case of any complaint of non issue of Ballot Paper to him, an acknowledgement seems to be necessary.

3) And the Commission therefore issues the following guidelines in the matter raised under

**Point No. 2.**

- (1) No signature or thumb-impresion of the voter need be obtained in the counterfoil. (2) The signature or thumb-impresion, as the case may be, should invariably obtained in the voter list against the entry pertaining the concerned voter as soon as the Ballot Paper is issued to him.
- (3) In order to maintain the secrecy of voting by the voter, the Serial
- (4) Number of the Ballot Paper issued need not be noted against, while
- (5) obtaining the signature or thumb impresion of the voter in the voter’s list.

### POINT-3

Regarding Point No. 3 the Commission observes that –

- (1) Rule 52 (10) (f) requires that the Ballot Paper issued to a voter shall contain the signature of the Election Officer on the reverse of it with his seal.
- (2) Rule 52, at the same time, does not provide, the list or prescribe any condition, or contingencies or circumstances under which an Election Officer need not put signature in hand or any provisos exempting the Election Officer from this basic requirement.

The Commission also agrees fully that, as represented and raised, it will be very difficult to put his signature in all the Ballot Papers numbering in thousands in certain societies.

The Commission at the same time, notes with caution, that a blanket permission to use a facsimile is not the proper solution for such an eventuality.

The Commission could not ignore or rule out the probabilities or possibilities of the facsimile, reaching the wrong hands, by commission or omission, knowingly or unknowingly or negligence either willful or otherwise, and not to think of the dire consequences that may follow in such an event.

The Commission has also to take note not only the difficulties of the Election Officer in signing the Ballot Papers, but also the management of these booths by him which may certainly be more than one in number, proportionate to the number of voters.

An Election Officer having to attend himself personally certain duties relating to the Ballot Boxes at the commencement of polling and at the close of polling, which is time bound, and which could not be discharged by him in all booths simultaneously or singly or in absentia and which is also a human impossibility.

Rule 52 earmarks certain functions to be discharged only by the Election Officer, some by the Election Officer and Polling Officers and some by Polling Officers alone.

Taking into consideration all these points in depth and detail, the Commission issues the following guidelines:

- (1) Under any circumstances or pretext the facsimile should never be used. And the Ballot Papers issued to the voters shall have the signature and seal of the Election Officer without any omission.
- (2) In cases where the number of voters, as per the voter's list of the society, and as published by the Electoral Officer, exceeds 1500, additional Polling Booth/Booths may be formed in the same place or at a place as specified and subject to the provisions under Rule 52(21) .
- (3) The Election Officer may appoint sufficient number of Polling Officers as may be necessary for every such additional Polling Booth so formed.

- (4) Among the Polling Officers so appointed as in (2) above the person who can perform with sufficient calibre, capability and capacity to handle situations may be appointed by the Election Officer as the Chief Polling Officer.
- (5) The Chief Polling Officer as appointed as in (4) above, in addition to the duties normally assigned to a Polling Officer under Rule 52, shall also perform the duties of the Election Officer as provided under Rule 52, in as much as they relate and restricted to the booth of which he is so appointed.
- (6) After the close of the poll, the Chief Polling Officer shall hand over to the Election Officer the used Ballot Boxes duly sealed and secured with the records concerning the Ballot Box account and Paper Seal account, with all other related records and unused materials of the booth of which he is the Chief Polling Officer, under proper acknowledgement.
- (7) Utmost care must be taken by the Chief Polling Officer for the safety of the ballot boxes while in transit.
- (8) If a separate booth cannot be formed when the number of voters exceed 1500, but not sufficient enough to have a separate booth, one among the polling officers may be appointed as in (4) above authorizing to perform such of these function of the Election Officer as may be necessary and as entrusted to him by the Election Officer.
- (9) The Chief Polling Officer, shall be paid the allowances for the polling duty at the rates as admissible to the Election Officer.

**Dated:04.04.2013**

Sir,

Sub : Election – Conducting Election of Members of the Boards and Office of Bearers Co-operative Societies – Filing up of nomination – Certain complaints – Regarding.

\*\*\*\*\*

The Commission notes that in some places the Election Officers did not discharge their functions properly, as assigned to them and expected of them, relating to filing, receiving, scrutiny and publication of the final list of contesting candidates in the matter of nomination and as reported by some Observers and State Election Officers during their meeting held on 2.4.2013.

The Commission wants to convey in no uncertain terms that such sort of things should not have been allowed to happen, even though it may be very small in numbers, and if they have happened as reported, the State Election Officers are requested to immediately take appropriate steps for initiating disciplinary proceedings against those Election Officers who have failed to discharge their statutory duties and also against the District Election Officers who did not fulfill their obligations to foresee and to prevent such occurrences.

It is informed that strict surveillance should be made and vigil should be kept so that these alleged irregularities and improprieties should not happen and recur on any context or pretext.

The Commission is also highly disappointed to note that no State Election Officer was able to send the nomination details on the very day of its completion.

The State Election Officers are therefore informed that they should send the nomination details of the notified societies within one hour i.e. before 7.00 p.m. on the same day, after the publication of the list of contesting candidates and which will be over by 6.00 p.m.

Issue of Form No. 18 – Guidelines – Regarding.

\*\*\*\*

It has been brought to the notice of the Commission, that certain contesting candidates have been insisted upon to get Form No. 18 for filing their nomination only from the society with the seal affixed and / or from the Election Officer with his seal and initial.

Rule 52(8) (a) states – “The nomination of a candidate for the election shall be in Form No. 18 and shall be signed by the candidate. The nomination paper shall be signed by two other members whose names are included in the voters’ list, one as the proposer and the other as the seconder for the nomination.”

Rule 52(8) (b) states – “Every nomination paper shall be presented in person to the Election Officer by the candidate himself or by his proposer or seconder on the date and time specified in the notice of election.”

The Commission, observes that the rule only stipulates that the nomination should be only in the form as in Form 18 and does not specify as to the source or the manner of obtaining the same or as to whether the Form -18 should be printed, photo copied or hand written or otherwise.

Accordingly Commission directs that candidates who are desirous of filing nominations should not be insisted upon to get Form No. 18 only in a particular place or source.

## Election immediate

To  
The State Election Officers

Rc.No. 251/2013/CE.5(1)

Dated: 08.04.2013

Sir,

Sub : Election – Conduct of Election of Members to the Boards and Office Bearers of Co-operative Societies - Counting of Votes – Rejection – Guidelines - Regarding.

\*\*\*\*\*

Certain State Election Officers and District Election Officers have asked for certain clarification:-

(1) Regarding the rejection of votes in general;

and.

(2) Regarding the validity or rejection of a ballot paper, wherein the voter has given in favour of more candidates than the numbers to be elected in a particular segment that is Women / SC ST/ General, but at the same time has given correctly in other segment / segments i.e., either equal or not more than the number of candidates to be elected.

As far as rejection in general, reference is drawn to Rule 52(15), wherein

the grounds for rejection have been stated clearly and the Election Officers have to act accordingly.

As far as the clarification sought under point 2 above the Commission observes as follows:-

- (1) Rule 52 (11)(d) provides that the voter shall be issued **a ballot paper**
- (2) Rule 52 (11)(g) provides that each voter **shall be given only one ballot paper**

It is therefore certain that only one ballot paper is issued and it is issued as a single unit and not in parts or portion or segments or as a split vote

Rule 52 (15)(a) provides the grounds on which a ballot paper shall be rejected and which includes:-

“If votes are given on it in favour of more candidates than the number of members to be elected” (52 (15) (a)(iii))

This rule also does not mention about a vote correctly given in part and not as a whole.

Further an election to the members of the Board is conducted as **one election and** not in parts or segments.

The Commission therefore clarifies that, if votes have been given on a ballot paper in favour of more candidates than the number of members to be elected in a particular segment / segments, even though he would have given correctly i.e., is equal to or less than the number of members to be elected in other segment / segments, the ballot paper cannot be treated as valid and hence shall be rejected.

Sub : Election – Conduct of Election of Members to the Boards and Office Bearers of Co-operative Societies - Counting of Votes – Guidelines – Regarding.

\*\*\*\*\*

The counting of votes is to be done for the 1<sup>st</sup> phase on 9.4.2013.

Counting, on the basis of which the election results are decided, is the crucial part of the election process and any commission, omission, negligence, non-adherence to rules on the part of the Election Officer will have an adverse effect on the outcome of the election and thus on the image of the Commission.

The Commission therefore wants to ensure that strict observance of rules, regulation, and discipline should be enforced in the matter of counting and declaration of results.

And towards this direction, the Commission reiterates, that the officer involved in the counting process should thoroughly get acquainted himself to the contents of the 'Hand Book' already brought out by the Commission and act accordingly (pages 26 to 29 paras 3.6.1 to 3.7.4. Extract enclosed for ready reference).

It may be noted that any failure on the part of the concerned officer has to be viewed very seriously and appropriate disciplinary action has to be initiated immediately, under intimation to the Commission.

Sir,

Sub : Election – Conduct of Election of Members to the Boards and Office Bearers of Co-operative Societies in the State – Election of Office Bearers – Clarification – Regarding.

Ref : Commissions Election Programme dated 04.03.2013.

\*\*\*\*\*

As per the Election programme drawn up and communicated by the Commission for phase-I, under Sl.No.15 (Copy enclosed), there is a programme for the issue of notice for Election of Office Bearers.

Clarification has been sought by certain State Election Officers and District Election Officers as to whether the same Election Officer, who was incharge of counting and declaration of results as in Sl.No.14 of the said programme, can continue as the Election Officer for the Processes Under Sl.No.15 & 16 of the same programme.

Commission observes that the issue of notice for Election of Office Bearers (President and Vice President) is to be done as per the provisions under rule, 53.

Rule 53(1)(a) requires that the District Election Officer appointed by the Election Commission for the conduct of election of Members of the Board of a society shall appoint an officer of the Government or officer subordinate to him or officer or employees of Co-operative societies or local authorities or undertakings owned by the State or Central Government or educational institutions as may be necessary as the Election Officer for conducting the election of office bearers of the board of the society.

Rule 53 (2) states that as soon as the Members of the Board have been elected, the election officer shall arrange to convene a meeting of such elected members of the board for conducting the election of office-bearers of the board and this Election Officer shall issue notice as provided under Rule 53(3) (a).

It is therefore quite clear that a person appointed under Rule 53(1)(a) alone can conduct the election of Office Bearers of a society.

The Election Officers who conducted the election of Members to the Boards of a Co-operative society have been appointed only under Rule 52(3)(a).

And therefore, it is absolutely necessary that an Election Officer has to be appointed for the conduct of the election of Office Bearers of the societies.

In appointing an Election Officer under the rule 53(1) (a), as far as possible the District Election Officer may appoint an officer of the Government or officer subordinate to him and if sufficient number of such officers are not available and incase if officers or employees of Co-operative Societies are to be appointed, such of those employees who are not below the rank of a Secretary / Manager of a society and not from the same society, may be appointed.

The following model forms are enclosed for information and adoption if needed.

Sir,

- Sub : Election – Conduct of Election of Members of the Boards and Office Bearers of Co-operative Societies in the State – Education and Training of voters – Issue of Poster – Regarding.
- Ref : Commission letters of even no dated 01.04.2013.

\*\*\*\*\*

It is learnt that after the counting for Stage-I – Phase – I, is over, the voters are not well informed or aware as how to cast their votes in the matter of election of the members to the board of their respective society.

Though the Commission has already arranged for the publication of two posters to educate the voters, it is felt that the same has not reached the target audience in full measure.

The Commission, now therefore, reiterates that all voters have to be well informed and enlightened as to how to cast their votes correctly.

The model poster now enclosed, may be arranged to be printed and displayed at the societies and also at prominent public places and government offices where people are expected to gather in large number.

The pamphlet enclosed may also arranged to be supplied to the contesting candidates along with the Hand Book for candidates (வேட்பாளர்கள் கையேடு) already brought out by the Commission.

The Commission may be informed of the compliance.

## Election URGENT

To  
The State Election Officers

Rc.No. 1131/2013/CE-5

Dated:10.04.2013

Sir,

Sub : Election – Conduct of Election of Members of the Boards and Office Bearers of Co-operative Societies in the State – Election of Office Bearers – Clarification – Regarding.

\*\*\*\*\*

Some of the District Election Officers have raised certain doubts regarding the Election of Office Bearers under rule 53 of the Tamil Nadu Co-operative Societies Rules, 1988.

The doubt raised is whether the Election Officer appointed under rule 53(1) A for conducting the election of Office Bearers of the Board of a society, can arrange to convene a meeting of the elected members to elect the Office Bearers when there are vacancies to be filled up on the board.

The Commission observes as follows:-

Rule 52 (9)(c) states:-

'If for any constituency there is **no contesting candidate**, the Election Officer shall immediately send a report to the District Election Officer, the State Election Officer and the Election Commission. In such case, the Election Commission may start election proceedings afresh in all respects as if for a new election to fill up the vacancy or vacancies'.

Rule 52 (9) (g) states:-

'If there are any seats **remaining to be filled** after following the procedure prescribed in clauses (a), (d), (e), and (f), the Election Officer shall send a report to the District Election Officer, the State Election Officer and the Election Commission. In such case, the Election Commission may start Election proceedings afresh in all respects as if for a new election **to fill up the vacancy or vacancies**'.

These Rule 52 (9) (c) and (g) **anticipate or foresee** a situation wherein all Members of a Board may not be elected at the same time and there may be vacancies, either by way of '**no contesting candidate**' and or '**seats remaining to be filled**'.

However, Rule 52(17) (c) states:-

'As soon as the election is over, the Election Officer shall intimate the results of the election in Form No.22 to the society, the Election Commission, the District Election Officer, the State Election Officer and the Election Officer, if any appointed under sub-rule (1) of rule 53 for conducting the election of the office-bearers of the board.

Rule 52 (17) (c) does not mention specifically about the unfilled vacancies and does not also restrict the scope of election of the Office Bearers under rule 53 when there are vacancies to be filled.

When Rule 52(9) (c) and (g) anticipates vacancies, and rule 52 (17) (c) does not mention and does not restrict the conduct of election of Office Bearers under rule 53, even though there may be unfilled vacancies, and Rule 52(17) (c) provides for conducting the election of the Office Bearers of the Board by the Election Officer appointed under 53(1), it goes without saying that the Election Officer appointed under Rule 53(1), may conduct the election of Office Bearers of the Board of society on the basis of the results of the election of the Members of the Board in Form No.22, as intimated to him by the Election Officer who conducted the election of Members of the Board of that society.

However, a situation may arise wherein the number of such elected members, may be less than the number required to form a quorum for a board meeting as prescribed in the by-laws of the society to convene such meeting of the Board subsequently.

And therefore, taking into consideration all these points and as discussed above, the Commission clarifies, that Election Officer appointed under Rule 53(1) for conducting the election of Office Bearers of the Board of a society shall conduct the same among the members elected, even though there may be unfilled vacancies, provided the number of such elected members is not less than the number to form a quorum for convening a Board meeting of the society and as prescribed in the by-laws of that society.

No election to the Office Bearers of the Board of a society, where the number of elected members to the board, and as declared as elected by the Election Officer under rule 52, is less than the quorum as prescribed under the by-laws of that society, need be conducted under rule 53 of the TNCS Rules, 1988 and which shall be reported to the concerned Society, District Election Officer, State Election Officer, and to the Tamil Nadu State Co-operative Societies Election Commission.

The action taken in this regard may be reported to the Commission.

**RC.No. 2893/2013/CE1 Dated 17.05.2013**

Sir,

Sub : Tamil Nadu State Co-operative Societies Election Commission – Conducting of Election to Co-operative Societies coming under Phase-I- Reviewing the position of No Nomination societies – Instruction – Issued.

\*\*\*\*

The State Election Officers are aware that with the completion of election to Co-operative societies coming under Phase-I in four stages, the commission has communicated the Election Programme for societies coming under Phase-II and the election process has since commenced in respect of these societies. Out of 22.212 Co-operative Societies coming under Phase-I, elections were held 20601 societies and in respect of 1611 societies elections could not be held since No Nominations have been received from these societies. A list showing the State Election Officer wise details regarding elections held and not held due to No Nomination is enclosed. The State Election Officers are requested to confirm the figures at once.

2) The Commission has understood, that eventhough in most cases where there are No Nominations, they may be due to the dormant status of the societies, there are also some other Potential societies where the Non-receipt of Nominations may be due to various other factors that prevailed at that time and the commission wants the State Election Officers to review the position thoroughly and send a list of societies for which another opportunity may be given to elect their representatives democratically. The State Election Officers are also requested to send list of societies where there is no possibility to conduct the elections even now and pursue necessary statutory action in respect of these societies as per the provisions contained in the TNCS Act 1983 and TNCS Rules 1988 to liquidate and to cancel the Registration of such societies as per necessity so that the need for conducting election to such Co-operative societies does not arise again.

3) The State Election Officers are requested to give top most priority to this item of work and ensure sending their report in this regard before 25.05.2013 without fail.

Rc.No.4049/2013/CE.5,

Dated:16.07.2013

Sir,

Sub : Election – Election to Co-operatives – Election of Members and Office Bearers of the Boards of Co-operative Societies in the State – Offences relating to the conduct of Election to Co-operatives – Launching of prosecution against the offenders – Procedures – Regarding.

\*\*\*\*\*

In the recently held meeting of the State Election Officers, certain doubts were raised **in the matter of launching prosecution**, against those persons who either individually or in a group have alleged of committed certain serious offences before, during or after the election of members or office bearers of the boards of the co-operatives at anyone or all of its stages from the publication of voter list to the final declaration of duly elected members and / or office bearers.

**Section 162** (punishment for adopting corrupt practice in elections of members of the board or office bearers of the board) of the Tamil Nadu Co-operative Societies Act,1983 details the nature of offences relating to the conduct of election.

Any prosecution, against the person concerned, under section 162 of the Act has to be instituted **as provided under section 164(3) of the Act.**

In respect of cases coming under the control of the State Election Officer / Registrar of Co-operative Societies, the guidelines for launching of prosecution under section 164 (3) are given in paras 1.4 and 1.5 under **Chapter IX 'offences under the Tamil Nadu Co-operative Societies Act, 1983', of the Tamil Nadu Co-operative Manual** (Corrected upto 2009) (An extract is enclosed for ready reference).The same may be adopted for such cases coming under the control of other Functional Registrar / State Election Officers also with necessary modification.

It is also to be noted that as provided under section 164-A of the Act, any action taken against any person under the Act, **will not affect, and will be in addition to**, any other proceedings by way of investigation or otherwise which might apart from this, be instituted against him.

The District Election Officers may be informed accordingly.

(Sd./-)  
Commissioner

Secretary

**An extract of paras 1.4 and 1.5 Chapter IX of the Tamil Nadu  
Co-operative Manual (Corrected upto 2009)**

1.4. Section 164 (3) of the Tamil Nadu Co-operative Societies Act, 1983 provides that no prosecution shall be instituted for offences under the Act without the previous sanction of the Registrar. In respect of Primary and Central Societies the Joint Registrars and in respect of only primary societies, the Deputy Registrars are competent to accord sanction for prosecution under section 164 (3) of the Act, as per the existing conferment of the powers of Registrar under the said section as ordered in G.O. (2.D) No.108 CF&CP Department dated 31.08.2005. They need not therefore refer such cases to the Registrar for sanction of prosecution. Orders sanctioning prosecution should be recorded in the form of proceedings in the respective files. Such order should briefly refer to the facts of the case warranting the sanction of prosecution. As required under this section no sanction shall be given without giving to the person concerned a reasonable opportunity to represent his case. Since the offences under the Tamil Nadu Co-operative Societies Act, 1983 are non-cognizable, the cases should not be reported to the Police for action. In such cases, the Joint Registrars and the Deputy Registrars may consult the concerned Public Prosecutor or the Assistant Public Prosecutor, get the charge-sheet prepared and file it through him in a Court of a Metropolitan Magistrate or a Judicial Magistrate concerned. The conduct of the case should be watched until it is disposed of.

1.5 As soon as a prosecution under section 164 (3) is sanctioned and a compliant is filed in the Court, the Joint Registrars and Deputy Registrars should report the matter to the Registrar together with a copy of the compliant. They should also submit in due course a copy of the judgement with their remarks on any comment made in the judgement.

Rc.No.3944/2013/CE-5

Dated:29.07.2013

Sir,

Sub : Election – Election of Members and Office Bearers of  
the Boards of Co-operative Societies in the state –  
Preservation of Election records – Instructions issued.

Ref : The Commission's letter even number dated  
17.07.2013.

\*\*\*\*\*

In the reference cited, guidelines have been issued for the preservation of election records which were handed over to the District Election Officer or to the person authorised by the District Election Officer in a sealed container.

Now certain State Election Officers and District Election Officer have raised certain difficulties in giving due effect to these rules as stated under:-

- (1) Whether the term '**any person**' as occurs in rule 52 (22) (b) & 53 (13) (b) means any individual, the District Election Officer, may choose to his choice, irrespective of the fact whether such an individual is an officer of the government, or officer subordinate to him or officers and employees of Co-operative Societies or local authorities or undertakings owned by the state or central government or educational institutions or otherwise.
- (2) As to when the sealed container, as mentioned under rule 52(22) and rule 53(13) can be opened, by whom and under what circumstances.

The Commission examined these points carefully and considers it necessary to clarify those points raised, for the purpose of giving due effect to these rules and in removing the difficulty, as envisaged under rule 52-A(9) & (10).

### **Point-1**

Rule 52(22) and 53 (13) deal with the securing, handing over, and preserving of the records. It is needless to say that preserving of election records is a matter of high importance, combined with utmost responsibility as there is every possibility of any election dispute and which will be decided only by the designated authority before appropriate forum under Section 90 of the Tamil Nadu Co-operative Societies Act, 1983. And with this intent, the rule specifically mentions about the securing of the records and the period over which the records to be preserved taking into account the possibility of any dispute that may be raised. The reference, therefore to the word 'any person authorised' as mentioned under rule 52 (22) (b), and Rule 53 (13) (b) in these context and in all probabilities and possibilities should invariably mean **any person of responsibility or any responsible person**.

Accordingly, the Commission directs that the sealed container of elections records mentioned under rule 52(22)(a) and Rule 53(13)(a) shall be handed over by the Electoral Officer and Election Officer as the case may be only to the District Election Officer or any officer subordinate to him **not below the rank of a Senior Inspector in the Co-operative Department or not below such rank in other departments and as duly authorised by the concerned District Election Officer in this behalf**.

In cases, where this procedure have not already been followed suitable instructions should be issued.

### **Point-2**

Rule 52 (22) (b) and (c) and Rule 53 (13) (b) and (c) clearly say that the election records shall be preserved by the person who is incharge of those records for a period of one year from the date of election if there is **no election dispute** and if there is an **election dispute** till the date of final disposal of the **said dispute** which ever is later. And thus the period of preservation is linked and related to **an election dispute**. In other words the records kept in the container **may be required only** at the time of deciding an **election dispute** by the designated authority.

From this it can be safely concluded that the necessity of opening the sealed container arises only for the purpose of deciding an election dispute and if so required by the authority to whom the dispute is referred.

Section 90 of the Tamil Nadu Co-operative Societies Act, 1983, read with Rule 107 of the Tamil Nadu Co-operative Societies Rules, 1988 empower the Registrar **'to require the production of all books and documents relating to the matter of the dispute' and without any exemption to election dispute and election records**. The Commission, accordingly directs, that the District Election Officer or the person authorised by him and who is incharge of the election record, when required by the 'Registrar' Arbitrator or Arbitrator or other person deciding the dispute, shall, if in his opinion the container contains all such records, break open the sealed container in the presence of the authority who required the same under section 90 of the Tamil Nadu Co-operative Societies Act and Rule 107 of the Tamil Nadu Co-operative Societies Rules, 1988, and for that matter any other competent court or lawful authority and after the perusal records is over, place the records back in the container, which shall be affixed by his seal and also of those parties to the dispute who desire to affix their seal before the same authority and shall be kept under his custody as laid down under the rules mentioned above.

Commissioner

**D.O.Rc.No.4047/2013/CE-5**

**Dated:31.07.2013**

Dear Thiru.

Sub : Election – Election of Members and Office Bearers of Boards of Co-operative Societies in the state – Furnishing of information under R.T.I Act - Regarding.

\*\*\*\*\*

In the recent meeting of the State Election Officers held on 09.07.2013 the Commission was requested to issue certain clarification, in providing information in the matter of election to Co-operatives, to those who seek such information under the Tamil Nadu Right to Information Act, 1997 and The Right to Information Act, 2005.

All are aware that the Commission has been constituted under Section 33-A of the Tamil Nadu Co-operative Societies Act, 1983, and conducts election as provided under section 33(11) (b) of the same Act and as prescribed under rule 52, & 53, and with powers and functions as provided under rule 52-A of the Tamil Nadu Co-operative Societies Rules, 1988. Rule 52 (22)(a)(b) and (c) and Rule 53 (13) (a) (b) and (c), of the same rule speak about the handing over, custody and disposal of the election records. (Extract of these rules are enclosed for ready reference).

Some of the information sought for by these applicants, on matters related to election, *interalia*, include the following:

- (1) Number of nominations received by the Election Officer;
- (2) Names of the proposers and seconders;
- (3) Number of nominations rejected during scrutiny;
- (4) The reasons for rejection as recorded in each such rejected nomination;
- (5) copies of :-
  - (a) of all nominations received including those of rejected nominations
  - (b) list of valid nomination as published by the Election Officer.
  - (c) list of Final list of contesting candidates as published by the Election Officer.
  - (d) list of members as duly elected and as published by the Election Officer.
- (6) Reasons for rejection of each such rejected ballot paper rejected
- (7) Copies of such rejected ballot papers etc.,

All those information sought for by the applicants, relate to, may be available with and to be gathered from, the statutory documents and records etc., that were received, written, filled up and prepared during the various process and stages of election and which were all placed in a sealed container affixed with the seal of the Election Officer and more importantly with that of the candidates or their election agents and handed over to the District Election Officers or persons authorized by him as required under rule 52(22)(a) and 53 (13)(a)

The records so handed over by the Electoral Officers and Election Officers, have to be kept and preserved as required under 52(22)(b) and (c) and 53(13)(b) and (c).

As such, the District Election Officers and / or persons authorized by them, are in their fiduciary capacity, the custodians of these sealed container of election records.

The Election Commission considers that while the District Election Officers, not to lose sight of the noble object of the Right to Information Act **in making transparent and accountability in the working of every public authority**, they, in their fiduciary capacity as the custodians of these sealed containers of election records, have to take note of the fact that the above said rules (Rule 52 (22) (a)(b)(c) and Rule 53 (13) (a) (b) (c)) which make them as the custodians of election records, do not, at the same time, provide unto themselves, the authority to break open the sealed containers.

Accordingly the District Election Officers and / or persons authorised by them cannot furnish such of those information, which in their opinion, are available only in those sealed containers and which they could not break open and could not access lawfully.

I request you to issue suitable instructions accordingly.

**Dated:12.09.2013**

Sir,

Sub : Election – Conduct of Election of Members and Office Bearers of the Board of Co-operative Societies – Records relating to the election – Preservation Regarding.

Ref : Commission's letter even number dated 17.07.2013, 29.07.2013 and 22.08.2013.

\*\*\*\*\*

During a recent visit by the Secretary of the Commission, concerning the preservation of Election Records by the District Election Officers, it was noted with much concern that due importance was not at all given in this statutory requirement.

The importance of preserving the records safely had been insisted during the meetings and through letters. It was found that:-

- (1) Election Records have not been received from all the societies for which election were over in totality.
- (2) No proper records for the receipt and acknowledgement for the records handed over and taken charge.
- (3) Bundles / Containers were not sealed in certain cases.
- (4) No separate room earmarked under lock and key for such records.
- (5) No proper arrangement of the containers / bundles of the records for easy reference and identification (Date wise, society wise index)

The Commission once again wishes to state and stress in very clear terms that any lax attitude and approach on the part of the District Election Officers in this most important statutory requirement, in the process of election, has to be viewed very seriously and the State Election Officers are therefore requested to immediately take appropriate steps to ensure the proper preservation of the records at the level of District Election Officers.

The Commission also wishes to inform that any officer of the Commission may make personal visits to these offices where election records are being kept, to ascertain the proper compliance of the statutory requirement.
